

Material Safety Data Sheet

Date last reviewed: September 17, 2010

I. General Information

Chemical Name & Synonyms Acetic Acid Solution	Trade Name & Synonyms Peel Away Neutralizer
Chemical Family Organic Acid	Formula CH₃ COOH - H₂O
Proper DOT Shipping Name Containers 1 gal. (4 L) or smaller: ORM-D Containers larger than 1 gal. (4 L): Acetic Acid Solution, 8, UN2790, PG III	DOT Hazard Classification Class 8, PG III (Corrosive Material)
Manufacturer Dumond Chemicals, Inc.	Manufacturer's Phone Number (609) 655-7700
Address 104 Interchange Plaza, Suite 202, Monroe Township, NJ 08331	Emergency Number: (800) 656-5053

II. Ingredients

Principal Hazardous Components	CAS #	Percent	PEL	TLV
Acetic Acid 80%	64-19-7	30	10 ppm TWA	10 ppm TWA 15 ppm STEL
Water	7732-18-5	70	None Established	None Established

SARA 313: This product contains no chemicals that are regulated under SARA Title III, section 313.

III. Physical Data

Boiling Point (°F) 224	Specific Gravity (H ₂ O =1) 1.04
Vapor Pressure (mm Hg) 11.8	Percent Volatile by Volume (%) 100%
Vapor Density (Air=1) 2.07 (acetic acid)	Evaporation Rate (Butyl Acetate =1) 0.97 (acetic acid)
Solubility in Water Complete	pH approximately 3.0
Appearance & Odor Clear liquid with a characteristic odor of vinegar.	

IV. Fire & Explosion Hazard Data

Flash Point (Test Method) None	Autoignition Temperature Not applicable		
Flammable Limits None	LEL N/A	UEL N/A	
Extinguishing Media This material is not combustible. Use media appropriate for the surrounding fire.			
Special Fire Fighting Procedures Wear full emergency equipment and NIOSH approved positive pressure SCBA. Cool fire exposed containers with water.			
Unusual Fire & Explosion Hazards At elevated temperatures containers may rupture.			
HMIS Ratings	Health: 3	Flammability: 0	Reactivity: 0

V. Health Hazard Data

OSHA Permissible Exposure Limit See Section II	ACGIH Threshold Limit Value See Section II
Carcinogen - NTP Program No	Carcinogen - IARC No
Symptoms of Exposure <u>Acute Effects:</u> Eyes: Vapors may cause irritation. Liquid may cause severe burns. Skin: May cause irritation. Inhalation: Mists and vapors may cause irritation to the eyes, mucous membranes and upper respiratory tract. Ingestion: May cause gastrointestinal burns, vomiting, diarrhea, headache and abdominal pain. <u>Chronic Effects:</u> Prolonged or repeated skin contact may cause dermatitis or burns.	
Medical Conditions Aggravated By Exposure: Individuals with chronic respiratory or skin diseases may be at risk from exposure.	
Primary Route(s) of Entry Eye, skin, ingestion	
Emergency First Aid Eye: Flush with water for 15 minutes. Get immediate medical attention. Skin: Wash thoroughly w/soap & water. Remove contaminated clothing. Get medical attention for irritation. Inhalation: Remove to fresh air. Get medical attention. Ingestion: If conscious, give 2 glasses of water. Do not induce vomiting. Get immediate medical attention.	

IV. Reactivity Data

Stability	X	Unstable Stable	Conditions to Avoid N/A
Incompatibility Strong alkalis, strong oxidizers or reducing agents.			
Hazardous Polymerization	X	May Occur Will Not Occur	Conditions to Avoid N/A
Hazardous Decomposition Carbon monoxide and carbon dioxide.			

VII. Environmental Protection Procedures

Spill Response Wear appropriate protective clothing. Neutralize with baking soda. Collect into closable containers. Flush spill area with water. Prevent runoff from entering sewers or waterways. Report spills as required.
Waste Disposal Method Dispose of in accordance with all state, local and federal regulations.

VIII. Special Protection Information

Eye Protection Chemical safety goggles/Faceshield	Skin Protection Rubber or neoprene gloves
Respiratory Protection (Specific Type) If exposure limit is exceeded, wear an organic vapor respirator or SCBA.	Ventilation Recommended Good general room ventilation required. If exposure limits are exceeded, local exhaust may be required.
Other Protection Impervious apron, boots, safety shower, eye wash as needed.	

IX. Special Precautions

Hygienic Practices in Handling & Storage Store in a cool, well ventilated area away from oxidizers and other incompatible substances.
Work Practices Prevent eye and skin contact. Avoid breathing vapors. Use only with adequate ventilation and appropriate equipment.
Other Precautions Wash thoroughly after use. Empty containers retain residues and may be hazardous.
